

Adrenal Px L-BP

Adrenal support

Adrenal Px L-BP capsules contain a highly concentrated form of glycyrrhiza (licorice), which supports the maintenance of healthy cortisol and aldosterone levels. This formula includes a potent blend of adaptogenic herbal extracts, such as organic holy basil and rhodiola, which support adrenal function and have a calming effect on the nervous system.

Adrenal Px L-BP was specifically designed to reduce occasional fatigue, augment stress resistance, and help preserve healthy cortisol levels. In addition, this adaptogenic formula also helps to sustain healthy brain function (e.g., mental performance), and provides antioxidant defenses against harmful free radicals.

Formulation Features

- Offers high doses of glycyrrhizic acid
- Promotes maintenance of healthy mineralcorticoids
- Enhances stress tolerance
- Supports Healthy stress response

Supplement Facts

Serving Size: 2 vegi-capsules Servings Per Container: 37

| | Amount Per Serving | % Daily Value |
|--|--------------------|---------------|
| Licorice root extract 10:1 (Glycyrrhiza glabra L.) | | |
| 20% Glycyrrhizic acid | 138 mg | 690 mg † |
| Organic Holy Basil leaf (Ocimum tenuiflorum) | | |
| 0.5% Volatile Oil | 1.0 mg | 200 mg † |
| Organic Eleuthero root extract 50:1 (Eleutherococcus senticosus) | | |
| 0.8% Eleutherosides | 0.8 mg | 100 mg † |
| Organic Rhodiola root (Rhodiola rosea) | | |
| 0.7% Salidroside | .49 mg | 70 mg † |
| Organic Hawthorn leaf and flower (Crataegus laevigata) | | |
| 1.5% Vitexin | 1.05 mg | 70 mg † |
| Organic Alfalfa Herb (Medicago sativa L.) | | |
| | 50 mg | † |

The statements on this page have not been evaluated by the Food and Drug Administration. These products are not intended to diagnose, treat, cure or prevent disease.

Licorice root (*Glycyrrhiza glabra*) supports adrenal function, in part by affecting cortisol metabolizing dehydrogenase enzymes, supporting healthy aldosterone levels and toning the adrenal gland.

Eleuthero root (*Eleutherococcus senticosus*) Much of Eleuthero's actions are credited to the eleutherosides, which supports healthy energy and adrenal balancing effects.

Hawthorn Berry (*Crataegus* species) contains a group of flavonoid compounds, which are credited with much of the antioxidant support and supports healthy inflammatory function in healthy individuals. Hawthorn, as a gentle nervine, may help to reduce the stress response contributing to adrenal weakness.

Rhodiola root (*Rhodiola rosea*) contains salidroside rosavins shown to reduce stress symptoms in both human and animal studies. Rhodiola supports cardiovascular and respiratory efficiency and function in situations of extreme physical exertion.

Holy Basil (*Ocimum sanctum*) Holy Basil contains ocimulosides and cerebroside, which have been shown to reduce the affects of stress on health.

Supplementation

- Take 1 to 2 capsules twice daily or as directed by your health care practitioner. Can be taken with or without food.

Diet & Lifestyle

- Minimize physical and emotional stress
- Eat organic, whole foods as much as possible
- Eat small frequent meals with protein to maintain optimal blood sugar levels
- Exercise moderately and consistently
- Avoid known allergens and toxic chemicals
- Sleep 7-8 hours minimum per night

Caution

The ingredients contained within Adrenal Px L-BP can elevate blood pressure and heart rate, thus these products are not intended to be taken by those with cardiovascular disease. Given the potency of the ingredients, patients taking Adrenal Px L-BP should have their heart rate and blood pressure monitored regularly.
