

# ThyroCalm Px

## Health Benefits:

- Supports thyroid comfort and healthy thyroid signaling. Designed for patients who may experience symptoms associated with heightened thyroid activity.
- Modulates thyroid-stimulating immunoglobulins and balances thyroid hormone production.
- Helps support healthy immune signaling in patients who experience immune-mediated thyroid stimulation.
- Supports calm, steady thyroid output by combining botanicals traditionally used for calming of sympathetic activation.

## Formulation Features:

- ThyroCalm Px is crafted with organic herbs and concentrated polyphenol-rich extracts with a history of traditional use for balancing thyroid activity.
- This is the only commercially available encapsulated supplement that offers Blue Flag Root, or Iris Versicolor. Due to its potency, it's typically reserved for homeopathic purposes.
- Organic Bugleweed (*Lycopus spp.*) is a traditional herb rarely found commercially. It's reserved for use in physician-exclusive formulas due to its potency and efficacy.
- Organic Lemon Balm (*Melissa officinalis*) is a source of clinically therapeutic volatile oils and polyphenols, including rosmarinic acid, to support a calming action.

RF 1260

## Supplement Facts

|   | Amount Per Serving | % DV |
|---|--------------------|------|
| <b>Serving Size:</b> 3 Capsules                         |                    |      |
| <b>Servings Per Container:</b> 40                       |                    |      |
| Zinc (as zinc citrate)                                  | 9.3 mg             | 85%  |
| Selenium (L-selenomethionine)                           | 150 mcg            | 273% |
| Organic Lemon Balm Leaf ( <i>Melissa officinalis</i> )  | 843 mg             | †    |
| Rosemary Leaf extract ( <i>Rosmarinus officinalis</i> ) | 465 mg             | †    |
| Rosmarinic Acid 232.5 mg                                |                    |      |
| Organic Bugleweed Herb ( <i>Lycopus americanus</i> )    | 435 mg             | †    |
| Organic Iris Root ( <i>Iris spp.</i> )                  | 28.5 mg            | †    |
| Organic Black Peppercorns ( <i>Piper nigrum</i> )       | 14 mg              | †    |

Targeted Botanical Calming for Thyroid Comfort & Balance.

## Key Ingredients

### **Organic Blue Flag Root (*Iris versicolor*)**

Contains oleoresins traditionally used to support thyroid and lymphatic detoxification while promoting healthy liver support—an important organ for thyroid hormone metabolism.

### **Organic Bugleweed (*Lycopus spp.*)**

Traditionally used to support balanced thyroid activity and healthy metabolic signaling. Rich in polyphenols that help moderate physiological responses related to thyroid stimulation.

### **Organic Lemon Balm (*Melissa officinalis*)**

Provides volatile oils and polyphenols, including rosmarinic acid, that support relaxation, nervous system balance, and healthy neuro-endocrine signaling. Traditionally used to promote calm without sedation.

### **Rosemary Leaf extract (*Rosmarinus officinalis*)**

A potent 50:1 extract providing 232 mg of rosmarinic acid. Rich in polyphenols that support immune modulation and healthy inflammatory responses involved in thyroid signaling pathways. Rosemary is source of rosmarinic acid which is not commonly found in commercial products. It supports immune modulation and healthy inflammatory responses involved in thyroid signaling pathways.

## Supplementation

Adults take 3 capsules twice daily with food, or as directed by your health care practitioner.

**Caution:** The dosage of Thioamides (the class of drugs which are used to control thyrotoxicosis) such as Methimazole, Carbimazole, and Propylthiouracil (PTU) need to be monitored while taking this product. Drug potentiation can occur with these classes of drugs due to synergistic mechanisms of action.

## Also Recommended

Cardiac Calm Px pairs well with ThyroCalm Px, because it is common for thyroid patients to also need heart support and preservation of a healthy normal sinus rhythm.
